# Where... ...are the emperor's new clothes?

...or, to put this question repeatedly and more clearly to the people: WHERE ARE YOU?

The plenipotentiary of a group of like-minded and like-feeling people – whether Duke/Prince/Count/King/Emperor... ultimately the representative activated by this group - who knows to take the reins complaisantly and for the benefit of his subjects into his hands, is only the **FIRST** for one single reason: BECAUSE YOU AND OTHERS HAVE LIFTED HIM INTO OFFICE! **The Emperor's clothes, that are you alone!** YOU, who gives the power to the Emperor in the first place, you who make him YOUR vicarious agent.

Finally understand: Not in the current rampant Satanism, the power comes from the top down, oppressive, confining and robbing the people of their energies. The people give the representative of these people his tasks, who knows to carry out these tasks with the highest love to those entrusted to him.

I can hear the parasites chanting loudly: *"Putin has already...", "Trump, too, has apparently implemented a new order for his people..."* ... ARE YOU RUSSIAN? HAVE YOU SUDDENLY AND MAGICALLY OBTAINED AMERICAN CITIZENSHIP? Have you ever listened seriously and with full attention to the representatives of these States? **"America first,"** are the words of the bright and wonderful Prince Donald Trump and Vladimir Putin spoke about **protecting, edifying and healing the Russian people.**

Where, I ask you in all seriousness, do you appear in their plans? WAKE UP, COMRADE!

Shivers ran down my spine when people, who call Prussia their home, didn't want to confess to the Prussian people. They love to be on their own, since they are already free - although they can not leave the house, since they would have to adapt to the ideology of the "political mask duty", but inwardly they are completely free and independent. This independence would be guaranteed by HARTZ IV (unemployment benefit) and child benefits supported by the administrative organization "GERMANY" ... do you notice it?

We are dealing with much more than just stupid-GERMAN, this is the lowest level of slavery, with which we Prussians want nothing, absolutely nothing to do. Such people should waste away, their era will soon be over. In our pure state, such bugs have no place.

Thousands of people, driven by joy and zest for action, followed the call for the activation of our Prussian core state. It's absurd to be able to answer this flood of messages professionally by myself. From volunteer brothers and sisters of the same spirit, I created a first point of contact for all questions, concerns and problems, which was also able to clarify immediately the false assumptions of the numerous disturbers (PEACE - disturbers!), who have an hostile attitude towards us. No, such charlatan-driven Franks and Joachim's and Bernd's, don't have a place in our holy Project. Ignoring them is the best weapon, after all, we know: **That, which is fueled by our attention, grows larger!**

In the old German language agreement is expressed in the saying: "WITH BODY & SOUL". With **"LEIB & SEELE"** we want to pursue our project with the fullest commitment of our being.

The saying receives in our context a fully conscious meaning. Unfortunately, however, we have to

concede: many thousands of enthusiastic people addressed us with joyful courage, not ten thousand and we are still far from the required >>>**one hundred thousand**<<<. As one of the brightest minds of our people once said so aptly:

"As every flower withers and every youth  
gives way to age, every stage of life blossoms,  
every wisdom also blossoms and every virtue  
in their time and must not last forever,

the heart with every call of life,  
has to be ready for farewell and new beginnings,  
to bravely and without grief  
form other, new bonds.

**And in every beginning, there is a magic,  
which protect us and helps us to live.**

**We should pass through room after room in a cheerful manner,  
not be attached to anything as much as the homeland,**

**the WORLD-SPIRIT does not want to bind and restrict us,  
it wants to lift us up step by step, expand us,**

No sooner we are at home in a circle of life  
and settled in intimately, there is the threat of slackening,  
Only for those, who are ready for departure and travel,  
paralyzing habituation may be loosening.

It may also be the hour of death  
to send us young towards new rooms,  
Life's call to us will never end...  
Well then, heart, take leave and be well!

With our attention firmly focused on the marked lines, we realize what of a high mind the many ancestors of our folk were. Heimath (homeland) is by no means just a piece of Irtha's soil, Heimath is at the same time entitlement to print one's own currency or revive an already existing one from the older days; Heimath means **protection of the PRIVACY** - and whoever is not familiar with this principle, which is so important and respected worldwide, has still got a long way ahead of him. Heimath reaches from the end of the physical sky to deep into the ground. Heimath-Right is the right of ownership, yes, everything defined by the letter "h", standing for **"your own."** (reference to german spelling). Even the ownership is higher-ranking than the property, that has only seemingly be given to the people by the administration.

There is a magic inherent in every beginning that protects and helps us to live. Friends, whoever doesn't know how to interpret these lines of the great scholar... which brings us to a fundamental issue: *BenniLife*, a man, who is so committed to the liberation of the homeland in conjunction with the redesign of it from spiritual high-potency of our forerunners, a man of our people, wrote to me with the concern, that in spite of the multiple explanations of the essential tasks in my VOLKESBOTSCHAFTEN, the people still do not understand what exactly they can contribute to the growth of our holy kingdom. My words to *Benni*:

**Benni, beloved brother!**

**Finally, I have been waiting for this wonderful moment for many days, when our energies finally connect in this way. You are the one thing in all your holy offering, that brings so much of the great to our people. A shining man, flooded with the most positive energies, who can hardly be honored enough. Thank you for your essential work! And be sure, dear brother, we will expose publicly the Devil in his false guise, because of his fraud, he was dismissed for theft of money already at EINIGES-DEUTSCHLAND and has been warned by the foremost, [...].**

**At the moment I am writing the VB for the 25th, precisely because we have received numerous messages of helplessness. WE, that is a group of volunteers of seven members and it was already about 4,800 people of our people that considered immediate action to be valuable. Our homeland is threatened to die, unless we act. My new V.B. once again gives a clear explanation of what each individual member can achieve with a little effort of his consciousness.**

**This is first of all only spiritual work, the belief in what is to come and the CERTAINTY of having already fulfilled this great work with the attention of ones mind.**

**If you like, pass on these words to the people, so they perhaps find in it the seed of their understanding. Or, to develop a general understanding of my knowledge presented in the VOLKSBOTSCHAFTEN, upload the few messages since 12 July 2020 to your TELEGRAM channel [\[t.me/ForPeaceAndFreedom\]](https://t.me/ForPeaceAndFreedom). Continuous repetition brings the one thirsty of knowledge to brazen consciousness.**

**All our messages contain the seed of the new and are of the purest love for the people and Heimath. The like-minded will understand, he will feel a sense of belonging, which begins to grow in the course of his studies until one day, he will no longer be able to leave the purest divine ever again. Here is our path, here we have arrived at the sparkling new. The kingdom of the new Prussia will meet the high energies of the new age in all components.**

**Brother, if everyone was only a little driven by the energy of your desire, the sub-human race of Zion would already have lost. And this essential aspect must be conveyed to the people in a beneficial way. ZION still exists and acts against the people for this one reason alone, because the people allow this in their miserable crawling way. Our sincere thanks to you!**

**So what do we have to do, to provide the emperor with new clothes, to revive *the kingdom of heaven* with the racial corpus of our folk?**

**YOU - THE SOVEREIGN - ARE THE VERY FIRST COMPONENT OF THIS!** You, the powerful one, clothed with mind, soul and body, hold all the tools in your hands. Only YOU ALONE you are the one Primus, who will make the greatness happen through your positive thoughts and feelings, fueling the resurrection of our Heimath. Only you, if you never doubt and always remain in certainty, that you have all the power and are all of that power.

Think of your most beautiful experience in freedom, how your children thrive in their new home, ...possibly moving into a new house with a huge garden, ...like-minded people in their perfection are your distant neighbors, you'll never have to worry about taxes or duties again, or how you can still feed your family in full health at the end of the month, because there is always enough of the true money covered by gold and silver.

Think and dream, charge your dreams with the best feelings - the corners of your mouth have to be pulled up with joy, you are now in your element of the level of creation.

In addition: Let go of all and any troublemakers, who make you feel powerless with their YouTube shows! Do you really think that these shows are tolerated by the operator, ZION, because they represent something positive for our people? Are you really naive enough to think, that there are two "Hoschies", reading you the bad news of the day to help build you up? THEY COST YOU YOUR VALUABLE CREATIVE ENERGIES, you foolish man, you blind woman! They are tolerated only because you've been removed from your creation. Especially those maleficent ones, who think of Frank Radon as something positive, they are the most evil, who already received their bill from the higher being. The Divine punishes those, makes them suffer, cuts off their air to breathe, makes them age above average rate, so we will soon be free of them. Audience numbers are dropping.

You should use the Internet only to send and distribute valuable content to as many like-minded people as possible. Use this one tool and then withdraw into your inner self again. Here you are the **LORD (GOD)** over all your possibilities, from here you can show what ALL-POWER is awakening in your sparkling creations.

Why do you think it was my intention, in March 2019, through my brother :folkar Brand, who was murdered a few weeks ago, to ask the operator of the website [BRD-Schwindel.ru](http://BRD-Schwindel.ru) to end 15 long years of sacrifice for people and country? Yes, you can make me responsible for this, read before you judge.

With articles, that have been read almost one million times (see the report on the Medinat Weimar), striking contents, which would hardly have allowed any other websites to survive, was this one of the greatest project for the liberation of our people, and yet it still had to go down in history forever. You ask yourself why? My answer:

Everything was said many times, discussed dozens of times, corrected and repeated a hundred times, nothing new was added, the condition remained as it had to, a waiting loop equal to a hamster wheel. The tens of thousands of visitors to this site expected to find news every day, but GOD cannot reinvent himself, as he cannot reinvent himself today. Readers and video viewers directed their attention predominantly to the negative, that is emerging in the world, **instead of directing the bright mind towards the development of healthy and positive structures**.

Remember: "**Where we direct our attention, it grows immeasurably!**" Do we want growing Satanism? Is it our goal to show more pictures and films of executed animal brothers and sisters to look and thereby prolong their suffering even more? Do we want to keep listening to a couple of lecturers armed with black, white and red flags, telling us about the bad news from all over the world, or did we come here to this realm to finally get down to business, to protect our spirits from such "corrections", and to reach unity with the divine and **create the good OUT OF OURSELVES?**

## **What are you, servant or creator? The latter, then act accordingly!**

Can we sway in freedom, put aside the deed of pure creation, when we have not yet once felt the

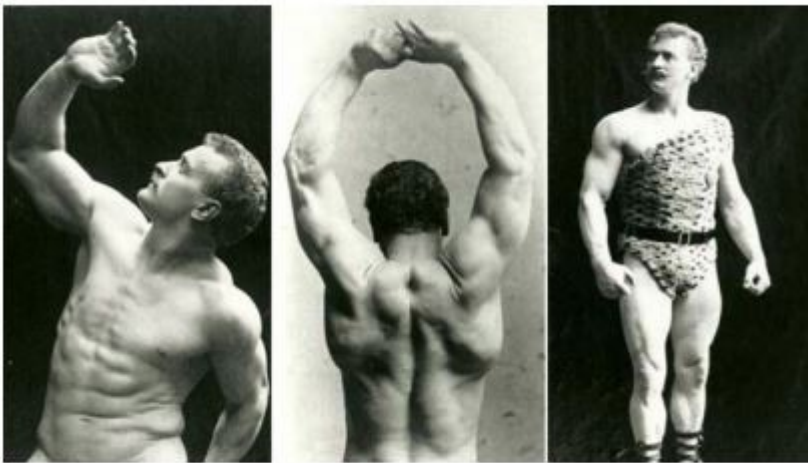

touch of freedom in the wind beneath our wings? Dreaming is for naive people, who don't know their place in society, morons, sissies, dumb-asses...

**Really?** Isn't that, what you dream about, the ignition energy that switches on our glands and their ability to use hormones and firing messengers to set our "*E-Motions*" into physio-electric movement? So could our wildest dreams be vivid truth, if we just put ourselves into scientifically correct dreaming? ...or:

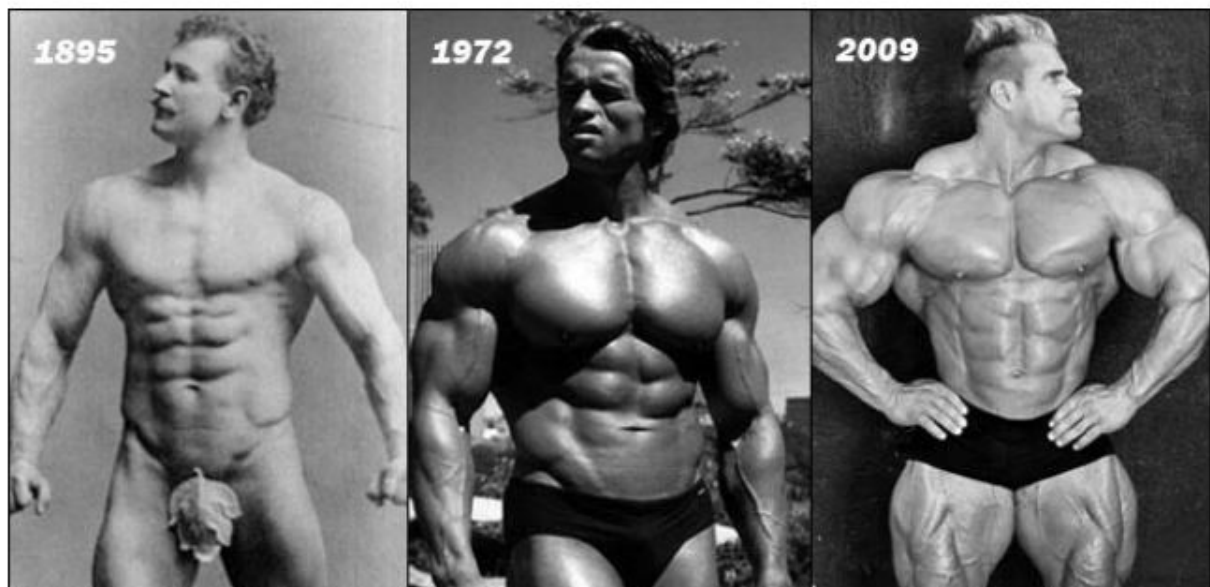

## Are colorful and vivid dreams basically THE CREATION, the gateway to the freedom to come?

A good last piece of advice, this one also at the risk of repeating myself like an organ grinder: Finally commit to strength training and the art of self-defense. It should not be the idea behind this to come across as a freak who, thanks to the addition of anabolic steroids is deprived of all life force. Several factors affecting your longevity, strength and purification, you affect to your benefit with these sports and, by the way, it is also not of night parts to be able to quickly and unbureaucratically move 200kg out of the way. Believe me, the time is very close, in which you will think back thankfully at my words!

The sport known as "Strength training", in the Emperors Reich was very popular within the movement- and body purification-doctrine of some great individuals from our homeland, such as on the left Friedrich Wilhelm Müller. [Eugen Sandow](#), alias Friedrich Wilhelm Müller, (1867-1925), the most famous "muscle man" of his time, can be considered a father and inventor of modern body shape.

In a television interview by the magazine "Men's Health" in September 2019 Bodybuilding legend [Arnold Schwarzenegger](#) on the question of who he would most like to train with, whether living or deceased, he answered without hesitation: *"With Eugen Sandow, he's one of my idols. He was the first bodybuilder and strength athlete. A remarkable Man."*

The essential background in weight training is n o t physical muscles, but equally two much more important aspects concerning your trinity:

1.) By means of the pressure built up by the hard exercises, all 80-120 billion body cells of your organism are made to expel the toxins located between the cell nucleus and cell membrane through the membrane. Body toxins are broken down via blood, lymph-system and the intestines. Purity is the result of your work, if you consume pure food.

2.) The nine worlds of Wotan, through which the "*Odin consecrated to Odin*" (!!!) wanders, are transformed into harmonically vibrating unison. What enormous significance this statement has, I will explain again to you immediately:

1. The MIND is dependent on the MIND
2. The MIND is dependent on the SOUL
3. The MIND is dependent on the BODY
4. The SOUL is dependent on the SOUL
5. The SOUL is dependent on the MIND
6. The SOUL is dependent on the BODY
7. **The BODY is dependent the BODY**
8. **The BODY is dependent on the MIND**
9. **The BODY is dependent on the SOUL**

Not only our MIND alone is responsible for every possible growth of our future experiences. If the BODY is weak, it also lacks spiritual progress, since the NINE Worlds, brought to light by the Son of Mankind Odin, are the essential basis for understanding all the workings of our time. The components of the human being, that work together in the perfect trinity can in this world only act in perfection in their unity.

To simplify it: If you are physically or mentally a wreck, you will not be able to develop any creative potential for the upright people. Why does Zion feed you with such degenerative food, like cadavers, polysaccharides (potatoes), fruit and vegetables? Ask yourself this question! They want you to nibble on your food and, like on YouTube every evening at prime time, proving: **THE DESTROYING EFFECT!** Smoking material for composting the former life is the finishing touch of the dying process.

Q let us know: "*Sit back and enjoy the show*" or "*The light will prevail*". Well, Q, a group of the chosen few, who...Who's seen "Q" before? Did "Q" mean, that THEY would be looking after our interests, only to be able to subdue us at a later date? Who knows? We however are in our OWN POWER, who should be able to compete with us? We Prussians hold all the keys are in OUR hands, as I mentioned earlier.

*The emperor's new clothes,  
the ALL-POWER to create the best,  
is YOU alone!*

In Liebe und Verbundenheit.

:friedrich wilhelm thomas aus dem Hause Neubert

(As always, so also today: Pass on this message to the millions within our pure folk!)
